Regional Centre Assessment Dates 2027

Dates and Venues for Regional Centre Assessment Days in 2027 will be advertised here in due course.

The BFL Assessment Theory Test can be completed at any time. Please download the application form to access the links:

BRAMM Fixer Licence - Regional Centre Assessment Application Form 2026

Please read the following information forms to help with your application and to prepare for the practical assessment:

BFL Assessment Information 2026

BFL-Assessment-Example-Portfolio-2026.pdf

The BRAMM Fixer Licence Assessment is only suitable for

experienced memorial fixers

and will assess a range of skills required for memorial installation to meet current BS8415 standards not necessarily using methods used every day.

Manual Handling is the responsibility of the employer.
The use of PPE is the responsibility of the candidate.

Holding an appropriate driving licence, MOT, vehicle roadworthiness, or if the candidate is legally permitted to work in the UK etc, does not fall within the remit of the BRAMM Fixer Licence Assessment.

These factors are not the responsibility of BRAMM and do not form part of the portfolio.
